PROOFING-BASED LINE OF .308 WIN WIN DESIGNS

In addition to our renowned NATO qualified military ammunition, we would like to introduce our new product line of .308 WIN designs we developed to fulfill constant needs of professional performers in hunting, target and sniper shooting.

All the .308 WIN cartridges are manufactured according to the same strict quality control requirements we apply to deliver our military ammunition. The .308 WIN ammunition is packed into carton boxes by 20 rounds/box when the external packing box contains 1000 rounds in total. For more details about each specified design, review the data in below table:
